```
  <h1>Welcome to My Web Page</h1>
```

```
  <h2>Introduction</h2>
```

```
  <p>
```

```
    This is a <b>basic HTML web page</b> created using simple HTML tags.
```

```
    HTML stands for <i>HyperText Markup Language</i> and it is used to
```

```
    Create web pages.
```

```
  </p>
```

```
